Dear Parents, Guardians, Students and Friends

On Sunday, we celebrated Mother’s Day and the contribution that mothers have made to our society. Let us give thanks for the love and dedication of all those who have ‘mothered’ us throughout our lives and, at the same time, remember those whose mothers have passed from this world.

Year 10 Social
Our Year 10 students will celebrate their ‘Social’ this coming Friday evening. I thank the students for their commitment throughout dance practice sessions and encourage all parents of these students to attend on the night to share in the celebrations. Thanks go to Miss Megan Hapgood, Year 10 Level Coordinator, and the Year 10 homeroom teachers, for coordinating this event. We wish all students and staff involved well and trust that the evening will be most enjoyable.

NAPLAN
This week our Year 7 and Year 9 students will participate in NAPLAN testing. NAPLAN provides the school with a set of data about our students at a particular point in time. Together, with other information, the school is able to use this data to help map out a course to improve educational outcomes for our students. We wish our students well as they undertake the assessments that make up NAPLAN.

Cross Country
Congratulations and thank you to our students and staff for their wonderful efforts in the annual House Cross Country held last Wednesday. The course was scattered with runners and walkers throughout the afternoon and we thank Mr Michael Tomkins (Sport Coordinator) and Ms Georgia Robinson (Sport Trainee) for coordinating this whole school event.

Individual age champions were recognised at the College Assembly on Thursday and Rice House was recognised as the overall winner for the third year in a row. Well done to all involved.

Mother’s Day Prayer
God our Creator, we pray:

for new mothers, coming to terms with new responsibility;

for expectant mothers, wondering and waiting;

for those who are tired, stressed or depressed;

for those who struggle to balance the tasks of work and family;

for those who are unable to feed their children due to poverty;

for those whose children have physical, mental or emotional disabilities;

for those who have children they do not want;

for those who raise children on their own;

for those who have lost a child;

for those who care for the children of others;

for those whose children have left home; and for those whose desire to be a mother has not been fulfilled.

Bless all mothers, that their love may be deep and tender, and that they may lead their children to know and do what is good, living not for themselves alone, but for God and for others.

Amen.
Staffing News
Mr Mick McCrickard has tendered his resignation after nineteen years on staff. Mick was a foundation student when Trinity College commenced in 1967 and, following his time as a student, first joined the teaching staff in 1988. After one year in this position, Mick left the Trinity and returned to staff in October 1997. Apart from taking a year of leave in 2015, Mick has been at Trinity College since this date. Mick was initially appointed as a teacher to the staff of Trinity and he has taught in the classroom in some capacity in the time he has been at the College. Mick’s passion is to work in the wellbeing area and he was responsible for student welfare as early as 1998, when he was provided with a very small amount of time to work in this area. Over time, the role changed from one of welfare to one of wellbeing and the size of the role increased from a small allocation to a substantial role. During this time, Mick provided caring support to many in the Colac district. Following a year of leave in 2015, Mick returned to Trinity at the beginning of this year in a teaching capacity and has also been coordinating the ‘Ignition Point’ programme. This programme is a partnered approach between Trinity College, Lavers Hill and Colac Secondary College, focussing on re-engaging students into mainstream education. As shared above, Mick’s passion is in wellbeing and the support of students through programmes such as ‘Ignition Point’. Mick has thus accepted a position in wellbeing at Colac Secondary College and will continue to coordinate ‘Ignition Point’ as part of the schools’ partnership over the remainder of the year. In his time at Trinity College, Mick has developed many friendships with his colleagues and built relationships with students and their families. He has served as part of the Leadership Team for many years and has been a great support to many in our community. I take this opportunity to thank Mick for all of his support, dedication, passion and care for the Trinity College community and wish him well in his future endeavours at Colac Secondary College.

Mr Bruno Picolli has tendered his resignation effective the end of Term 2. Bruno joined our staff at the beginning of this year and has been working in the Product Design: Wood area of the College, teaching Year 10, 11 and 12 Wood. We have advertised rather extensively over the past two weeks to attract applicants for this role and aim to appoint a replacement teacher prior to the end of term. Bruno and Ms Lynne Wheal will continue to support our Units 1-4 Wood students and Bruno will continue to teach our Year 10 Wood class and in his role of Yr 9 Homeroom teacher until the end of the term or until a replacement is appointed.

Pentecost Congratulations
This coming week we celebrate the feast of Pentecost in the Church. Pentecost is sometimes referred to the ‘Church’s Birthday’ as this is the time that celebrates the Holy Spirit descending onto the disciples of Jesus and enabling them to start to preach with passion, mercy, strength and the authority the Gospel of Jesus. This weekend one of our Yr 8 students, Jamie Rodgers, will celebrate being received into the Church. Jamie has been preparing for her welcome into the Church for some months now and has been supported by Fr Michael, Mr James and some fellow students. Congratulations, Jamie!

Virtus Nobilitat.
Mr Tim O’Farrell
Principal

ADMINISTRATION

CAMPS, SPORTS AND EXCURSIONS FUND APPLICATIONS CLOSING DATE
The Victorian Government has announced a Camps, Sports and Excursions Fund (CSEF) payment of $225 for each eligible student to assist in the participation of school trips and sporting activities. CSEF payments will be made directly to schools and will be credited to fee payer accounts. To be eligible for the funding, a parent or legal guardian must be the holder of one of the following:

- Veterans Affairs Gold Card
- Centrelink Health Care Card (HCC)
- Pensioner Concession Card (PCC) holder
- Temporary foster parents

If you are eligible to claim CSEF and have not returned your application, the final day for schools to accept CSEF applications is Friday 3rd June, 2016. Application forms can be obtained from reception or downloaded from http://www.education.vic.gov.au/Documents/about/programs/health/csefapplicationform.pdf

EXTRA CURRICULAR ACTIVITIES

PERFORMING ARTS CONCERT
The semester’s Performing Arts Concert will be held on Thursday, 26th May, 7:30 pm at COPACC. Tickets will be on sale Tuesday, 17th May from the COPACC box office.

Miss April Greaves
Domain Head: Performing Arts
We congratulate the following student on recently exemplifying Trinity Spirit consistent with the Trinity College Core Value of Catholic Ethos:

Hayley Gorwell, 11B  
House: Gleeson

Hayley Knight, 11D  
House: Rice

Eliza O’Farrell, 11D  
House: McAuley

These three students have volunteered their time to assist Father Micheal and Mr James in running the Right of Christian Initiation for Adults (RCIA) programme at Trinity College. They have helped during lunchtimes, after school and on weekends. These students have helped teach, guide and support those who are completing their Rites of Initiation; that is Baptism, Confirmation and Eucharist. They showed a great willingness to serve the Trinity College Community and their sense of Catholic Ethos by volunteering their own time.

RICE WIN TCC CROSS COUNTRY

Rice has won the cross country for the third year in a row. After adding up all competitors’ points, Rice finished on 1983 points, with Gleeson finishing 146 points behind in second and McAuley 13 points behind Gleeson in third.

Emily Frampton (Year 7) ran the quickest time for the girls in 23 minutes and 47 seconds. Cooper Stephens (Year 11) ran 20 minutes and 58 seconds to be the fastest boy.

AGE GROUP CHAMPIONS

13 Years - Emily Frampton (M) and Zac Munro (G)  
14 Years - Olivia Connelly (M) and Aaron Hawker (R)  
15 Years - Lily Eldridge (R) and Charlie Grist (M)  
16 Years - Emma Hawker (R) and Alex Lockhart (G)  
17 Years - Moni Matthews (R) and Cooper Stephens (M)  
18 Years - Lily Marwood (M) and Tom Davis (R)

Mr Michael Tomkins  
Sport Coordinator

TRINITY SUNDAY CELEBRATIONS

This is a call for any student volunteers who may like to participate in our celebration of Trinity Sunday, 2016.

To celebrate our College name, on Trinity Sunday, 22rd May, students from our Social Justice Group, Student Leaders and Special Ministers of the Eucharist will be present at each of the three St Mary’s parish masses. They will be assisted by staff members to be welcomers, readers and act as Special Ministers of the Eucharist.

If you are a Trinity College student, attending one of the masses on 22nd May and would like to be involved as helpers such as participating in the Offertory Procession or taking up the collection or distributing the bulletin at the doorways, please let Ms Hughes know as soon as possible. You can email her at ahughes@tcc.vic.edu.au. You can come along, in school uniform and contribute to our community celebration of the Trinity.

Parish members are warmly invited to the College at 2.30 p.m. for the Trinity Sunday Prayer of the Church in the College Chapel, a guided walk around the school, accompanied by Student Leaders and to join students and staff for afternoon tea, provided by the College student members of St Vincent de Paul.

Again, if you are available to assist at prayer, for the guided walks or with serving afternoon tea, just let Ms Hughes know. Your contribution and assistance would be appreciated as the College community welcomes our local parishioners to the school. It is a great privilege to be called “Trinity” College (Trinity, being the great Christian mystery of God-in-community). To be able to celebrate this on Trinity Sunday, with our local community, at Mass and at the College, will be very special.

Ms Anne Hughes  
Director of Faith and Mission
LIBRARY HOURS
Monday – Thursday 8.30am to 5.05pm
Friday 8.30am to 4.15pm

MEET THE LIBRARY STAFF

Mr McIntosh – Library Manager/ Woodwork Teacher
Mr McIntosh’s hobbies include gardening, The Carlton Football Club, assisting at The Colac Historical Centre, reading, woodworking and metal work. Mr McIntosh also enjoys spending time with his grandchild, Henry.

Mrs Lyn Castles – Library Technician
Mrs Castles works in the library Tuesdays, Wednesdays and Fridays. She enjoys gardening, reading, cooking and travelling.

Mrs Debra Parker – Library /Home Eco Technician
Deb works in the library Mondays, Wednesdays and Thursdays. She also works in the Home Eco Department Tuesdays and Fridays. Deb loves to sew and enjoys gardening.

Ms Debra McIntyre – Learning Support Officer/After School Library Supervisor
As well as her role as a Learning Support Officer, Deb is the school’s after-school library supervisor. Deb enjoys yoga, walking, reading and spending time with her family.

LIBRARY ACTIVITIES DURING RECESS AND LUNCHTIME
The library is open during recess and lunchtime for quiet pursuits such as Meccano, Chess and Reading. Students are welcome to bring their devices to the library for research and study during these times, however Gaming is not permitted.

NEW BOOKS FOR THE MONTH OF MAY
Code cracker, secret agent, school girl……
“Ruby Redfort is a thirteen year old girl, sassy, cute, brainy and fearless”

The library has recently purchased the series of these books by Lauren Child. Sure to be an interesting read.

Also purchased is the series Darkmouth by Shane Hegarty.
“Finn: twelve-years-old, loves animals, not a natural fighter, but tries really, really hard, and we all know good intentions are the best weapons against a hungry Minotaur, right?
On second thoughts, panic. PANIC NOW!”

PARENTS! DON’T SPEND YOUR AFTERNOON RUSHING AROUND FROM SCHOOL TO HOME AND THEN OUT TO SPORTS TRAINING.

The school library is open after school so your child can study in a quiet environment, without distractions. Let your child study here straight after school, then you can pick them up in time for sports training. That evening you can both relax, knowing that homework has been completed for that day!

TRINITY SCHOOL LIBRARY OPEN EVERY MONDAY, TUESDAY, WEDNESDAY & THURSDAY UNTIL 5.05PM.
Trinity College is registered to take part in eSmart, a guiding framework for our school to manage Cybersafety and Wellbeing. eSmart is an initiative of the Alannah and Madeline Foundation, a National Charity committed to protecting children from Violence. Below is an outline of the types of cyberbullying.

Cyberbullying is using digital technologies including mobile phones, email and social media tools. Cyberbullying includes:

- **Pranking**
  - Repeated hang-ups, anonymous, mocking or threatening phone calls
- **Image sharing**
  - Forwarding or sharing unflattering or private images without permission
- **Sexually explicit images**
  - People of any age, who forward or share images of a sexual nature to a person under 18 needs to be aware that this is a criminal offence (child pornography) that may result in prosecution
- **Text and email**
  - Sending insulting or threatening text messages or emails
- **Personal online information**
  - Publishing online someone’s private, personal or embarrassing information without permission, or spreading rumours online
- **Identity theft**
  - Assuming someone’s identity online and negatively representing them in a way that damages their reputation or relationships
- **Hate sites**
  - Creating hate sites or implementing social exclusion campaigns on social networking sites.
- **Other types of cyberbullying**
  - It is also cyberbullying when a student, or students uses technology to run a multi-step campaign to bully another student. For example, setting another student up to be assaulted, video recording their humiliation, posting the video recording online and then sending the website address to others.

Information about eSmart will be placed regularly in the College newsletter to assist our families. Please feel free to contact a Year Level Coordinator or one of our Wellbeing Officers should you have any queries about cyberbullying.

**Trinity College Wellbeing Team**

FOCUS ON OPEN DAYS

If you are considering studying at TAFE or university after school, it is crucial that you attend Open Days.

Throughout the year, vocational and tertiary institutions open their doors to the public and showcase their courses, accommodation, scholarships, pathway courses, student services and their 'point of difference'. At an Open Day, you will be able to:

- Get a feel for the culture of the campus
- Learn about courses and career options
- Undertake campus and accommodation tours led by current students
- Speak directly to students and lecturers about the courses or careers you are interested in
- Compare the course area you are interested in at different institutions
- Learn about student sports and societies you can join and be active in
- Get course counselling and guidance
- Attend information sessions and workshops
- Watch live demonstrations
- Listen to bands, eat lots of food, participate in activities and have fun!

Don't just pick a course at an institution without visiting the campus – you potentially will be spending several years studying there and spending tens of thousands of dollars on your course and accommodation. It's worth making the effort.

FOCUS ON OPEN DAYS

The following is a list of Victorian Open Day dates for several institutions. On the websites, you will be able to register to receive information about the Open Day's, go into draws to win prizes, watch videos from the 2015 days and download the Open Day planner for 2016.

July

- Swinburne University- Hawthorn (31), http://bit.ly/1FRMN40

August

- RMIT: (14), http://openday.rmit.edu.au/
- Australian Catholic University: Melbourne (14) & Ballarat (26), http://bit.ly/1TNUMW
- La Trobe University- Shepparton (5), Melbourne (7), Bendigo (14), Albury-Wodonga (15), Mildura (17), http://www.latrobe.edu.au/openday
- University of Melbourne, Parkville & Southbank (21), http://openday.unimelb.edu.au/
- Deakin University: Warrnambool (7), Geelong (21), Melbourne (28), http://openday.deakin.edu.au/
- Victoria University, Footscray (23), http://bit.ly/1TwEFGB
- Federation University, Ballarat and Gippsland (28), http://bit.ly/1GhNaja
VOCATIONAL & HIGHER EDUCATION NEWS

Science news: Be inspired by the latest stories featured on RIAUS – Australia’s Science Channel. Some of the topics covered this week include:

- International Science Film Festival 2016
- Brain training with languages
- Deep vocalises in male primates: evolutionary success
- Budget 2015 – the science forecast
- Future innovator – gaming careers

Access the stories at this link - http://bit.ly/1T6zwuX

Interested in a career in medical science? You can participate in the 2016 Medical Research School Quiz administered by the Australian Society for Medical Research. The quiz is open to students in Years 7 – 12. Applications close 4 July. For more information, go to http://bit.ly/1ujrEFT

UNSW Bragg Student Prize for Science Writing:
For students in Years 7 – 10. Do you have a favourite science experiment conducted in class or seen on YouTube? Have you been inspired by a great scientific discovery in history? Perhaps you’ve had your own eureka moment building a volcano or levitating an object across your bedroom. If so, you should participate in this competition by writing about your chosen experiment or scientific discovery and discuss what impact it has had, or could have, on society. The competition runs until 20 August, http://bit.ly/1CzdQy

Do you study Unit 3-4 Visual Communication Design? The Academy of Design Australia is running several workshops for Year 12 students studying VCE Visual Communication Design. Session one and two will run on Saturday 14 May at the Melbourne campus. Other workshops will run in June, July, August, and September. For information and to register, go to http://bit.ly/1TtxQYk

VOCATIONAL & HIGHER EDUCATION NEWS

Skills shortage area: oral health. Are you interested in health and science? Have you thought about dentistry but concerned you won’t receive the required ATAR? You may be interested in exploring the following occupations:

- Dental Nurse/Assistant: assists dental team, supports patient, sterilisation of equipment, prepares dental materials, maintains client records etc.

- Dental Hygienist: educates patients about prevention of disease, treats oral diseases, and provides dental treatments.

- Dental Therapist: examines and treats diseases of the teeth in children and adolescents under the supervision of dentists.

- Dental Technician: designs and constructs dentures, crowns, impression trays, oral splints etc.

For information on these career areas, go to the Australian Dental Association: www.ada.org.au

Have you considered surveying? If you enjoy subjects like mathematics, science, and IT, enjoy being outdoors, would like to travel nationally and globally and earn good money, this is a great career to explore. Surveyors are needed to assist with:

- Building roads and cities
- Defining property
- Finding and mining mineral resources
- Measuring changes in the earth
- Understanding waterways
- Finding ancient ruins and
- Developing Google Earth etc.

If you would like to find out what surveyors do, where you can study surveying, to watch videos and read career profiles, and learn about doing work experience go to www.alifewithoutlimits.com.au
New early entry framework at Australia National University (ANU): Selection for the program will be based on the students’ ATAR (70+), and their Year 11 results. Applications must be made via the University Admission Centre and the School Recommendation Scheme in August/September. For information and key dates, go to http://bit.ly/1q8jJ6c

Changes to Medicine at Monash University: The Bachelor of Medical Science and Doctor of Medicine (MD) will replace the Bachelor of Medicine and Bachelor of Surgery (Honours) undergraduate entry course in 2017. The course is internationally recognised and students will graduate with a higher-level qualification. Entry will still be based on school results, the UMAT and interview. For information on the changes, go to http://bit.ly/1QWH08k

Interested in studying law in the future? Monash University are hosting an event for prospective law students called “The Future of Lawyers: facing the big challenges in the 21st Century” on Thursday 19 May. Students will be able to hear from a panel of experts who will explore some of the big legal practice challenges of today, including the topic of graduate employment prospects in an increasingly crowded market.

The panelists will also explore the global move towards ‘experiential’ and ‘work integrated learning’ and consider how this and other initiatives might help improve law students’ competitiveness. For information and to register, go to http://bit.ly/1UMdmgN

Go Girls, Go For IT! Vic ICT for Women is running a fantastic event for female students in Years 7 – 12 focusing on courses and careers in ICT. The Go Girls, Go For IT! event will be held at the Deakin University Melbourne campus on Tuesday 16 August. For information about the event, go to http://goiti.org.au/

New Innovation Precinct at Swinburne University: Swinburne’s recently announced Innovation Precinct will operate in collaboration with entrepreneurs, and senior leaders across industry and business. In bringing industry practitioners to the campus, students will have greater exposure to real-life projects. For information, go to http://bit.ly/1T0vCyt

Interested in accounting or information technology? Swinburne University has the following specialist industry scholarship programs, which offers students a tax-free industry-funded scholarship worth approximately $40,000 and two 20-week periods working in industry.

- The Bachelor of Information Technology, http://bit.ly/1YWw8Y1

Are you interested in the science of everything small? The University of Sydney’s newest research facility, the Sydney Nanoscience Hub, will enable scientists to undertake ground-breaking research in the specialist facilities worth $150 million. Nanoscience is about miniscule subject matter and this means that the smallest of disturbances to the research environment can have a huge impact on the result. For information, go to http://sydney.edu.au/nano/
Commerce versus economics: Which would you be more suited to? The Australian School of Business, UNSW, has developed a video to help you decide. They have also developed a video focused on careers in economics. To download both, go to:

- http://tinyurl.com/qa2zzwp
- http://tinyurl.com/mj7e1wv

Studying sport at Deakin University: Sport is a growing industry and with the increased focus on health and active lifestyles, the need for experts in this field has never been greater. Deakin courses in sport are comprehensive and diverse, enabling students to study exercise and sport science, the business of sport, sport development and health and physical education (teaching).

Exercise and sport science offers a broad range of career opportunities for Deakin graduates in areas such as sport, health, fitness, rehabilitation, sport business and research and tertiary training. If you are considering a career in these areas, go to the following websites: http://tinyurl.com/vkrv2jdy where you can view lists of job titles/roles, employers and professional associations in each of these areas.

To view the sport courses at Deakin and watch videos about exercise and sport science and clinical exercise science, go to http://tinyurl.com/pmtbyfY

UNSW Co-op Scholarships: The UNSW Co-op Program offers industry linked scholarships to high achieving students in the fields of Business, Science, Engineering and the Built Environment. Scholarships are worth over $10,000 per year tax-free and there are many other benefits such as leadership programs, industry work experience and academic mentoring. Applications close 30 September. To find out more, go to www.coop.unsw.edu.au

Pathway courses into Monash University degrees: If you would like to study at Monash but are concerned you may not achieve the ATAR requirement, there are three options you can consider:

- Diploma of Tertiary Studies (DoTs): This one-year program is for students who would like to gain access to Nursing, Business or Education degrees. Completion of the program will allow you to go straight into the second year of the eligible course.

- Diploma of Higher Education (DoHE): This one-year program is for students who would like to gain access to the Bachelor of Science. Completion of the program will allow you to go straight into the second year of the course.

- Monash College Diploma: The Diploma can provide entry into the first or second year of a course in Arts, Architecture, Engineering, Art, Design, Business or Information Technology.

For information on entry requirements and eligible courses for each program, go to http://tinyurl.com/pccpjar

Accounting Scholarship at UTS: If you are considering applying for the Bachelor of Accounting at University of Technology Sydney, you can apply for the scholarship program which is worth over $40,500. Applications will open in August, http://bit.ly/1No5ctu

Marcus Oldham College: offers courses in Horse Business Management, Agribusiness, and Farm Business Management. The institute is located at Geelong, Victoria and is a private college.
