A Prayer for Farming Families
Merciful God, our refuge and strength, our help in times of trouble.
We ask that You bless those who work the land to provide sustenance for us all
We ask You to bless our farmers and their families.
May farmers receive a just reward for their precious labour.
We implore you, Loving Creator, let those who make decisions which impact on farming families, look with favour and respect upon those who work the land.
May all Australians play their part in supporting farmers in this most challenging time. We bring all our prayers to You through Jesus Christ, Our Lord.
Amen
(with acknowledgment to Catholic Education Office, Sandhurst)

Dear Parents, Carers, Students and Friends

In many religious traditions lighting a candle is seen as a sacred action. Within the Catholic tradition, lighting a candle is often synonymous with a prayer or intention. As I grew from being a young child, many important people in my life have followed the tradition of lighting a candle in their home or workspace and offering an intention or prayer. I remember very fondly that my Nana would always light a candle when one of the grandchildren was sitting an exam as part of their schooling or university studies. Of course, Nana would also share some of life’s wisdom telling us that the candle only helps: it is the study, preparation and hard work along the journey that truly informs our success! My mother has also shared in the tradition as have many others in my extended family. Candles are lit and prayers offered when people are sick, in death, when having babies or surgery or having job interviews – in fact, within my family, there appears to be an endless list of reasons why we light a candle.

All students who study a Unit 3/4 subject will sit the General Achievement Test (GAT) this Tuesday. This day is a student-free day for all other students. I take this opportunity to wish our senior students who will undertake the GAT well. As with any test or examination, it is important to read the question, to then determine what the question is asking and then to formulate the response. While the advice above is not complex, it is worth taking the time to ensure one understands exactly what the question is asking prior to trying to answer in a hurry.

Our Year 10 and Year 11 students are sitting their exams this week and our Year 7-9 students are completing their assessments prior to the end of the semester this Friday. They should each be preparing for assessments of one kind or another and I wish all our students well over this week.

It may be timely for families to light a candle and offer a prayer that our students do well with the GAT, in their exams and during their assessments. As Nana said though: the candle only helps!

The excitement is starting to build as the date draws closer to the draw of the 2016 Trinity College Colac P&F Raffle. There are three wonderful prizes on offer this year and, with only 6000 tickets printed, the odds are very high that a member of our College community will again be driving away with a new car. At $10 per ticket, this is a very cheap car!

The raffle will be drawn at 9.00pm next Wednesday night, 15th June as part of the Annual Trivia Night. I encourage all parents and carers to attend the Trivia Night and Raffle Draw if at all possible. The Trivia Night is a great way to catch up with friends and meet other parents/carers of students of the College. Our compère for the evening is the highly regarded journalist, Old Collegian and current parent, Peter Hanlon, and the questions have been prepared to engage all in a fun night of entertainment. You may also find yourself driving away as the owner of a new car!
I take this opportunity to thank the executive of the P&F and the dedicated team of organisers and street sellers who have made this raffle possible. I also thank the many people who have purchased and sold tickets in the raffle this year. Should you have a book of raffle tickets at home, it is timely that I remind you to return the book to the College in the next few days. Obviously, we would prefer if all of the tickets for the raffle are sold; however, this is not always possible. Regardless of whether tickets have been sold or not, the P&F do have to account for all tickets and would appreciate the return of all raffle books. All proceeds from the raffle will benefit the students of Trinity College now and into the future. The P&F have once again purchased the first prize, a Nissan Pulsar, and I thank Harvey Norman and Otway Fly for kindly donating the second and third prizes for the major raffle. Good luck to all who have purchased a ticket!

As advised in an earlier newsletter, long-time staff member, Mr Mick McCrickard, has resigned from Trinity College. Mick’s association with Trinity College was celebrated by the staff Friday last week, which was his final day at Trinity College. Mick will continue to work with the Ignition Point programme and his classes have been allocated to other staff members. I again thank Mick for his dedication to the Trinity College community and wish him every success in the future.

Congratulations to our Senior Football Team who continue on their winning ways. Led by supercoach, Mr Ryan Geary, the team is enjoying the experience of playing against good opposition on outstanding grounds. All the best in the next round!

Semester One concludes this Friday for our students and staff and I take this opportunity to thank all members of the College community for their efforts over the first half of the year and wish them every success as we move next Tuesday into Semester Two.

As advised in the newsletter on 24 May, Mrs Cheryl Pefanis is now Acting Principal of Trinity College Colac as I access a period of Enrichment Leave to focus on some recommendations stemming from my summative appraisal last year and some of the focus areas identified in our School Improvement Framework. This leave will conclude on 1 August and I look forward to the learning that I will experience over the next few weeks. I shall light a candle for the students, staff and families of our College and ask that you offer some prayers for me.

In this year of Mercy, may we be Mercy for each other.

Virtus Nobilitat.

Mr Tim O’Farrell
Principal

SPORTS NEWS

SENIOR FOOTBALL
For the third round of the AFL Victoria Country Herald Sun Country Shield Trinity College travelled to Waurn Ponds in Geelong to challenge Saint Ignatius College for a chance to play in the state Preliminary Final.

Trinity were missing key players from the previous two rounds including Lachlan Rosevear, Tyler Flanigan, Keenan Hickey, Cooper Stephens, Adam Garner and Frazer O’Gorman.

After a cold foggy morning the sun came out creating perfect conditions at brand new Deakin sports precinct which has a brand new oval with the exact same dimensions as the MCG.

Throughout the day we had the run of play utilising the space and being able to use our defensive pressure on all of their ball carriers. Leigh Gorwell was a standout for the day again racking up possessions all over the ground. The standard of football was extremely high and was entertaining for all who had the privilege to watch.

We now face Notre Dame College, Shepparton to play for the chance to be in the Grand Final to be played on the MCG.

SCORES:
Trinity College 2.5 6.9 11.11 15.14 (104) def
Saint Ignatius College 0.0 3.1 3.2 4.5 (29)
**LIBRARY NEWS**

*Just a Reminder* that the Library is open after school Monday through to Thursday until 5.05pm for ALL students who may wish to complete or catch up on any school work.

**Library Activities during Recess and Lunchtime**
The library is open during recess and lunchtime for quiet pursuits such as Meccano, Chess and reading. Students are welcome to bring their devices to the library for research and study during these times but gaming is not permitted.

**Ancient Egypt**
Year 7 students have been researching Ancient Egypt this term as part of their Humanities studies. Students were required to give a detailed account of life in Ancient Egypt researching one of three topics: Geography of Egypt, Core Beliefs and Features or Legacy, Architecture and Arts.

A number of student work is on display in the library for viewing. The masks on the left were made by Year 7 students: Donya Pourpapi 7D and Lochlan Hart 7D.

Clare Griffiths (7E), Mirabi Scherger (7A) and Nadene Brown (7B) are enjoying playing the Egypt board game during recess that Nadene presented as her Ancient Egypt assignment.

**Making IT staff more accessible**
A sliding window was recently installed in the adjoining wall of the library and the IT office. This window will make the IT staff more accessible to students and staff when wishing to make inquiries regarding devices or when having any general IT-related problem. Testing out the new window is Year 8 student, Alina Bright and IT trainee, Russell Thomson.

**CAREERS NEWS**

**YEAR 10 WORK EXPERIENCE PROGRAM**
Reminder to all Year 10 students that they should now be finalising their Work Experience placements. Please hand completed blue Work Experience Agreement Forms to Reception. Students who require assistance must make an appointment with me.

*Mrs Julie Demasi*
Careers Officer
We congratulate the following student on recently exemplifying Trinity Spirit consistent with the Trinity College Core Value of Community:

Jesse Lucas, 10D McAuley
Alex Lockhart, 10F Gleeson
Mitch McGlade, 10F McAuley
Rhyley Edge, 10F McAuley

These students have volunteered their time to assist with Year 9 football duties for Trinity College. They stood up and offered to umpire, act as runner and organise the Year 9 football match vs Colac Secondary College. They showed a great willingness to serve the Trinity College Community and their sense of Community by volunteering their own time.

Nick McLaren, 9E McAuley

Nick volunteered his time to assist a member of the College Community. He gave up his own time after school on his way home to come back and assist someone in need. Nick has definitely demonstrated the Core Value of Community by sacrificing his own time to assist someone else.

VOCAATIONAL & HIGHER EDUCATION NEWS

New pathways to undergraduate Law at Monash University: Currently the ATAR for undergraduate Law at Monash is about 98 and 94 for Monash Guarantee students. From 2017 there will be three new pathway courses for eligible students:

- Bachelor of Arts (Law Pathway)
- Bachelor of Commerce (Law Pathway)
- Bachelor of Arts (Science Pathway)

Completion of the first year with a certain grade point average will guarantee entry into the second year of either the Bachelor of Laws (Honours) or the second year of the Bachelor of Laws (Honours) combined with the relevant degree (Arts, Commerce or Science).

Information on eligibility will be available soon and Year 12 students will be able to apply for the pathway courses via the Victorian Tertiary Admission Centre (VTAC) in August. For information on Law at Monash, go to [http://bit.ly/1Ppo632](http://bit.ly/1Ppo632).

Changes to entry requirements for Law at UNSW: From 2017, Year 12 students who would like to study an undergraduate law degree at UNSW will need to sit the Law Admissions Test (LAT). The results of the test and your ATAR will be used during the selection process. Year 11 students can complete the LAT this year, as results will be valid for two years. For information on the LAT, how to register and when the test will be held, go to [http://bit.ly/1Qa1p3A](http://bit.ly/1Qa1p3A).

Bachelor of Biosecurity Science at Box Hill Institute: This course is designed for people looking to protect Australia and its environment from the threat of invasive animals, plants, pests and disease. Developed with industry and government input, this is the only dedicated undergraduate biosecurity science degree in Australia. Graduates from this course will find work in agriculture, nurseries and wineries and the new national Post-Entry Quarantine facility to be constructed by 2017 in Melbourne. For more information, go to [www.hfate.edu.au](http://www.hfate.edu.au/).

VOCAATIONAL & HIGHER EDUCATION NEWS

Science news: Be inspired by the latest stories featured on RIAUS – Australia’s Science Channel. Some of the topics covered this week include:

- Meerkats bulking to compete against rivals
- Raw milk myth hits the shelves
- Mars closest to Earth in over a decade
- Misinformation and myths – the problem with cancer
- Inside the Scinema International Science Film Festival

Access the stories at this link: [http://bit.ly/1UqwtJb](http://bit.ly/1UqwtJb)

Be inspired by well known young scientists: Nova’s The Secret Life of Scientists and Engineers has developed several videos profiling young people who are passionate about science and mathematics.

- Danica McKellar: played Winnie Cooper in The Wonder Years. She talks about her passion for mathematics.
- Mayim Bialik: talks about how she went from starring in the hit show Blossom to getting a PhD in neuroscience. She currently stars in The Big Bang Theory

You will also be able to watch videos of young people talking about their passion for robotics, primatology and astrophysics etc. Go to [http://to.pbs.org/OogkI7](http://to.pbs.org/OogkI7).
Are you sitting the UMAT in July? The following are tips on how to prepare for the UMAT:

- Download the free practico exams from the ACER website, [http://umat.acer.edu.au/](http://umat.acer.edu.au/)
- MedEntry - [www.medentry.edu.au](http://www.medentry.edu.au) and NIE - [www.nie.edu.au](http://www.nie.edu.au) offer fee for service UMAT preparation programs. Whilst some students find these programs to be helpful, it's important to note that the universities who use the UMAT do not endorse them.

Do you have an interest in forensic science? You may be interested in reading about several notable people who have made a significant contribution to the field of forensics. Lauren Wright has written a fantastic article called ‘Through the Looking Glass’, [http://bit.ly/1ANqGeY](http://bit.ly/1ANqGeY)

Portfolio Entry at the University of Canberra (UC): If you would like to study a design-based course at UC and are concerned you won’t achieve the required ATAR, you can apply via the portfolio entry scheme. UC will take into consideration your ATAR plus a portfolio of your creative work. For information on the scheme and a list of eligible courses, go to [http://bit.ly/1Sh6pRB](http://bit.ly/1Sh6pRB)

Learn about economics: If you think that economics is all theory without real world applications, think again. 'The Conversation', is an excellent six-part video series by La Trobe University lecturer, Liam Lenten. In 'Some Sports Economics' Liam explains common economic ideas using sporting analogies. You can watch all six videos here, [http://bit.ly/1LahnYN](http://bit.ly/1LahnYN)

Check out the latest articles at Deakin 'Think':

- Three tech innovations that will save lives
- Tips to make it through exam day
- Can a former Australian Idol host be Tony Abbott in the election?
- Why our online gambling addiction is growing
- 13 simple ways to study more effectively
- The cost of racial discrimination

Go to [http://this.deakin.edu.au/](http://this.deakin.edu.au/)

Passionate about arts and humanities? The Arts Scholars Program at Australian Catholic University is for high achieving students who are enrolled in one of the following courses:

- Bachelor of Arts (must be majoring in one of the following: Digital Journalism, Drama, Economics, Geography, History, Literature, Digital Media, Music, Politics, Sociology or Visual Arts)
- Bachelor of Arts/Bachelor of Global Studies
- Bachelor of Creative Arts

Students will receive one to one academic mentoring, and participate in research. Selection for the program is based on invitation at the end of the first year of the course and will be based on the students’ grade point average. For information about the program, go to [http://bit.ly/25kYy6](http://bit.ly/25kYy6)

RMIT Engineering students win top design in Texas: RMIT Bachelor of Engineering (Aerospace Engineering) students recently won a top technical prize for their revolutionary high-speed travel pod. Out of more than 1700 entries, the RMIT team was the only Australian team to be selected to compete in Texas. The teams unique pod design could cut travel time from Melbourne to Sydney to just 40 minutes. For information about engineering at RMIT, go to [http://bit.ly/1JestPe](http://bit.ly/1JestPe)

Interested in outdoor education? La Trobe University is running a Spring School Holiday program between 25 – 30 September for students in Years 10 – 12 at the Bendigo campus. Students will be able to experience what it's like to be an Outdoor and Environmental Education student at La Trobe University. Students will experience the outdoors and natural environments by choosing either climbing and bushwalking or paddling and bushwalking. For information, go to [http://bit.ly/1TW73Z](http://bit.ly/1TW73Z)

- **30:** Fitzroy Campus Opening, Collarts, [http://bit.ly/1X0qBb](http://bit.ly/1X0qBb)
Experience Days at RMIT: RMIT offers a number of free events designed for students in Years 10 – 12 during the mid-year holidays to engage in hands-on workshops and explore life on campus. The following experience events still have places available in June:

27 Business - Entrepreneurship, Marketing, Supply Chain & Logistics, Management, International Business etc.
28 Science - Applied Science, Food Science, Forensic Chemistry, Maths
28 Health & Medical Sciences - Anatomy, Chinese Medicine, Chiropractic, Haematology, Medical Radiation Science, Nursing
30 Engineering: you can choose from 9 workshops
30 Marketing & Communications - Branding & Strategy, Integrated Marketing Communications, Creative Advertising, Media & New Technologies

The following experience events still have places available in June:

8 Property & Project Management - you will take part in two interactive workshops
8 Design - you will participate in design challenges

For more information and to book your place, go to www.rmit.edu.au/experiencedays

Experience Days at Australian Catholic University: University Experience is a hands-on event, where you will be able to participate in a range of activities related to the course area of your choice. The following sessions are running:

Ballarat campus, Tuesday 28 June:
- Education
- Science and Biomedicine
- Nursing & Paramedicine

Melbourne campus, Tuesday 5 July:
- Arts
- Teaching
- Business
- Education
- Exercise Science
- Law
- Nursing, Midwifery, Paramedicine
- Science & Biomedicine
- Occupational Therapy & Speech Pathology
- Psychology & Counseling
- Philosophy

For more information and to register, go to www.acu.edu.au/97108

NURSING AND MIDWIFERY

You have the opportunity to learn more about the innovative nursing and midwifery degrees at Deakin University. The evening sessions are running on the following dates:

- Melbourne campus – 20 and 23 June
- Geelong campus – 20 and 23 June
- Warrnambool campus – 22 June

For information and to register your place, go to http://bit.ly/23dLBdN

YEAR 11 UNIEXPERIENCE

UniExperience Melbourne: If you are in Year 11 you may have the opportunity to apply for the two-day University of Melbourne UniExperience program being held at the Parkville Campus on Thursday 7 – Friday 8 July. Cost is $100 and the program includes:

- One night accommodation and meals
- A guided campus tour
- Information on courses
- Social activities organized by current University of Melbourne students
- Workshops on the transition to university, student support, accommodation, scholarships, and study tips.

To find out if you are eligible and to apply, fill out the online application form at http://bit.ly/1Nvotti8
**FASHION @ RMIT**

Fashion & Textiles at RMIT: This two day workshop for Year 11 and 12 students running in the school holidays, will assist you in selecting the most appropriate RMIT Fashion and Textiles program and career option. Discussion topics may include:

- Trend forecasting
- E-tailing
- Visual Merchandising
- Digital technologies.
- Offshore Manufacturing & Procurement
- Textile Design & Development

The event will be held Wednesday 29 June – Thursday 30 June. To register, go to [http://tinyurl.com/kqgazee](http://tinyurl.com/kqgazee)

---

**BUSINESS @ MONASH**

At Monash Seminar Series: Monash University is running a Business and Economics information seminar on 15 July at the Collins Street, Melbourne campus. For more information and to register, go to [http://destination.monash/at-monash/](http://destination.monash/at-monash/)

---

Career Week at the International College of Hotel Management: if you are interested in business, hospitality, working overseas, and working with people from different cultures you may enjoy a career in international hotel management. The International College of Hotel Management is running a ‘Career Week’ at their Adelaide campus between 11 – 15 July. For information and to book your place, go to [www.ichm.edu.au/](http://www.ichm.edu.au/)

---

**MONASH UNIVERSITY**

Year 10 Independence Day: you will be able to go to the Clayton campus on Thursday 30 June and participate in interactive sessions designed to assist you in finding out about course options, why pre-requisite subjects are important and advice on how to choose your Year 11 and 12 subjects. Information will be released soon.

---

**LA TROBE UNIVERSITY**

La Trobe are running Experience Days on the following dates: Shepparton - 2nd June, Bendigo - 6th July, Melbourne - 7th July and Mildura - 8th July.

Students and parents will be able to undertake hands-on workshops in their areas of interest from a huge selection of course and career areas. Examples of course areas covered at the Melbourne event include:

- Science, Biomedical Science, Physics, Anatomy
- Health Sciences, Nursing & Midwifery, Physiotherapy & Podiatry, Orthoptics, Paramedicine, Speech Pathology & Occupational Therapy, Audiology, Dietetics, etc.
- Hospital Experience – Nursing & Podiatry
- Commerce, Accounting & Finance
- Media Industries & Communication, Journalism, Events Management, Marketing, and Public Relations
- 3D Printing
- Teaching
- Politics and International Relations
- Civil Engineering and Robotics
- Psychology & Social Work
- Sport degrees, Sport & Exercise Science
- IT - Applications Development, Network Tech
- Animal & Veterinary Biosciences
- Sustainability & International Development
- Archaeology, Languages
- Criminology and Law

You will receive a free lunch and be able to speak with current students and lecturers.

To view the full list of workshops and to register, go to [www.latrobe.edu.au/experience](http://www.latrobe.edu.au/experience)

---

**BOATING CAREERS DAY**

Boating Careers Day: The Boating Industry Association of Victoria (BIAV) invites you to the Careers Day at the 2016 Melbourne Boat Show. The day will be held on Monday, June 20, 2016 at the Melbourne Convention & Exhibition Centre. For more information and to register your attendance, contact Arlene Adonis-Hawkins at arlene@biavic.com.au no later than Monday, June 7, 2016.
CAREERS AT THE ZOO

Are you in years 7 – 12? Do you want to work with animals?

Keeper for a Day: Are you an aspiring zookeeper? Find out what it takes to care for an amazing array of animals at both Healesville Sanctuary and Werribee Open Range Zoo. Learning how you can help us to fight extinction and be a hero for wildlife.

Vet for a Day: Come along and work alongside our heroes, our veterinary staff, who work on real cases involving Healesville Sanctuary’s animals, endangered species and injured wildlife.

- Dates are June 29 and July 6, [http://bit.ly/1G5oWoW](http://bit.ly/1G5oWoW)

JMC ACADEMY

High School Workshops at JMC Academy: You will be able to spend the day undertaking hands on activities in your area of interest. The following workshops will be run in June and July:

- Animation fundamentals
- Film and television
- Entertainment business management: design an event
- Entertainment business management: releasing your music
- Songwriting
- Game development
- Introduction to Pro Tools
- Introduction to Ableton Live
- Stagecraft and music performance
