Heavenly Father,
In your love you have called us to know you,
Led us to trust you and bound our lives with yours.
Surround our children with your love and protect them from evil.
Fill our children with the Holy Spirit and receive them into the family of your church,
That they may walk with us in the ways of Christ,
And grow in the knowledge of your love.
Amen.

Dear Parents, Friends and Students of Trinity College,

What a lovely weekend! With the wonderful sunshine thawing out the frosty mornings.

It was a particularly remarkable weekend in my own personal life with the baptism of my 4 month old son Henry. As Father Michael spoke from the readings it was aptly about welcoming and hospitality, both of which were evident as Henry was officially welcomed into God’s care. It was a wonderful opportunity to celebrate new life and to set Henry on a path of love and acceptance of Christ. There are also many calls for welcome in our own Trinity College community, with the recent welcoming of students for the start of Term 3 and the welcoming to a new week of learning ahead.

The College production draws nearer, with the first show on Wednesday, 17th August. The production cast and crew are busy in preparation. At this time, we also seek local businesses to sponsor this wonderful College event. For more information regarding sponsorship, please see the more detailed article later in the newsletter.

Sports, pathways and the Senior Ball all dominate events this week. We have the School Sport Victoria Netball and Football competitions on Wednesday and Thursday. After receiving their Curriculum Handbooks last week, we also spend time with our Years 9-11 students sharing information to assist them with their 2017 subject selections and pathway options.

The main chance for parent/guardian involvement with student pathway decisions is the Senior Pathways 2017 Information Evening on Wednesday, 20th July for all Year 10 students and those Year 9 students who are interested in completing an advanced VCE/VET subject in Year 10. This will focus on the main pathway options for students and will be held in the College hall starting at 7.30pm.

The other major highlight of the week is the Senior Ball held on Friday, 22nd July. This is a fantastic opportunity for our Senior students to enjoy this special event with their peers and to celebrate together before the exam study begins to ramp up.

I wish all students and teachers the best for the various activities in the College this week.

Kind regards
Luke Featherston
Director of Learning
COLLEGE PRODUCTION SPONSORSHIP

In August, Trinity College will stage the musical production of Bring It On. There will be four performances to be held on:

- Wednesday, 17th August  
  Evening Performance
- Thursday, 18th August  
  Evening Performance
- Friday, 19th August  
  Matinee and Evening Performance

The production will be staged at the Colac Otway Performing Arts and Cultural Centre. The production will involve approximately 120 students and staff both on and behind the stage.

The College would like to offer your business or employer the opportunity to support our students directly. Below is the outline of a “Sponsorship Package” which outlines the opportunity for sponsors to contribute funds to assist the staging of this musical production. The advertising and marketing activities undertaken will gain exposure for your business and assist the cultural development of our students and others in our local district.

Should you be interested in this opportunity, we would appreciate you returning the completed form attached at the back of the newsletter (and attach a cheque) to initiate a sponsorship program. Alternatively you may contact Gerard McKenzie to discuss details relating to this letter.

We require sponsorship forms to be returned by Friday, 29th July to enable programs to be printed. If you nominate to proceed with a Silver Sponsorship Package please email your company logo (.jpeg file) to gmckenzie@tcc.vic.edu.au and any other related business information that may be included in the program. Thank you for your consideration of this proposal.

Silver Sponsorship Package $275.00 (includes GST)  
(Limited to ten businesses)
- Half page advertisement in program.
- Acknowledgement of sponsorship in Colac Herald on Friday, 15th August.
- Acknowledgement of sponsorship in speech on final performance night.
- Acknowledged in College newsletter at end of production.

Bronze Sponsorship Package $110.00 (includes GST)  
(Unlimited businesses)
- Business name listed in program in recognition of support
- Acknowledged in College newsletter at end of production

Gerard McKenzie  
Business Manager

SENIOR BALL FRIDAY, 22ND JULY

The Senior Ball is always a highlight of the College social calendar and will be held in the JC Robinson Activity Centre hall this coming Friday, 22nd July. Dance lessons are underway and it should be a great night. A letter was posted home to the parents of students in Years 11 and 12 during the last week of second term which outlined the details of the evening. However, on behalf of the Year 11 Coordinator Miss Leesa Sharkey and myself, I would like to remind students and parents of certain administrative matters.

Each student is required to purchase a ticket at a cost of $20 which is presented as they sign in at the door in order to gain admission to the hall. Upon purchasing their ticket, students are able to obtain two complimentary tickets for their parents/guardians. Please be reminded that these tickets are solely for parents and guardians. While other family members, such as siblings and friends, are welcome to view students outside of the school cafeteria (through which entry will occur), only students and their parents / guardians are permitted inside the venue. We ask for your cooperation on this matter as it can be embarrassing having to ask people to leave.

Doors will close at 7.30pm and reopen at 11.00pm. Any student who will be arriving late or leaving early will need to be accompanied by a parent or present a note to their Year Level Coordinator.

Hair and other appointments are to be made after 1.20pm on this day. This is Recall time for the Year 12 students and any Year 11 students who are leaving early must present a note to Miss Sharkey by Tuesday, 19th July and sign out of the College via Student Reception.

We do ask that our Year 12 students bring along a plate of supper to share and hope that as many parents as possible can join both their child and the staff in enjoying the evening.

Kind regards
Noel McKay  
Year 12 Coordinator
MISSION AUSTRALIA YOUTH SURVEY THURSDAY, 28TH JULY

This survey is the largest survey of its type in Australia and gathers information on young people aged 15-19 about a range of issues from Mental Health, pathway/career options and a number of other issues that young people face in today’s society. As you would hopefully be aware, it is intended that students in Year 10, 11 and 12 will be undertaking the Mission Australia Youth Survey on Thursday, 28th July during period 6. A letter was sent home last Thursday via Homeroom Teachers for parent/guardian consent. These consent forms need to be returned by Monday 25th July to Homeroom Teachers. The survey, whilst completely anonymous, provides the Wellbeing Action Team with direction to support the needs of students in all year levels and allows us to cater a Pastoral Care and learning program that caters to our students needs.

Thank you for your support in allowing your son/daughter to complete the survey, should you have any questions, please do not hesitate to contact me. If you have not yet received a consent form, please ensure your son/daughter gets a copy from Student Reception.

Mr Brad Smith
Director of Students

CHILD SAFETY STANDARDS

Dear Parents and Friends

Following the release of the final report into the Betrayal of Trust inquiry examining the handling of child abuse allegations within organisations, a new set of Child Safety Standards has been established for Victoria. These standards have far-reaching implications for all schools in the State and their purpose is to improve the way that organisations, which provide services to children, prevent and respond to child abuse.

The focus of the standards is to help organisations drive cultural change, so that protecting children from abuse is embedded into everyday thinking and practice. These new standards represent a radical shift in child protection in Victoria. They shift the focus from a series of obligations and tasks mandated by law (for example mandatory reporting and Working with Children Checks) to an all-encompassing, culturally-driven approach. The latter is designed to ensure that protecting children from abuse is embedded in the everyday thinking and practice of leaders, staff and volunteers.

The ultimate aim of all these recommendations is to ensure that, as Catholic schools:

- we are committed to upholding the primacy of the safety and wellbeing of children and young people.
- we are empowering families, children, young people and staff to have a voice and raise concerns.
- we are implementing rigorous risk-management and employment practices.

At Trinity College, we already have many of these practices and processes in place; however, there are some specific changes which will flow as a result of the new standards:

- We are currently in the process of drafting our Child Safe Policy for the school and, once this policy has been ratified by the College Board, the policy will be released on our College website.
- Mr Bill Slatter, Secondary Educational Consultant from the Catholic Education Office Ballarat, will meet with members of the College Board and with our staff to discuss the Child Safe Standards.
- As part of Ministerial Order 870, all staff are required to sign and adhere to a new Child Safe Code of Conduct which has, at its heart, the objective of promoting a child safe environment within the school.
- We have also nominated our Compliance Officer, Mrs Jenny Keast, who will be assisted by our Deputy Principal, as Child Safety Protection Officers. Their role is to ensure that the correct policies and procedures are followed should a concern ever be raised.

To ensure that the College is compliant with these standards, the implementation of these new laws will clearly have some impact on the way in which some programs within the school are run. In particular, parents and volunteers associated with the school may experience some procedural changes as they become involved with the school and its activities.

It is important that we ensure that child safety is a priority in our school and that there is zero tolerance to child abuse right throughout the community.

Please feel free to contact the school should you have any queries. Thank you for your assistance in this matter.

Kind regards

Mrs Cheryl Pefanis
Acting Principal
HELPDESK ASSISTANCE WITH STUDENT IT DEVICES
Below is the process should students have any concerns with their IT device.
Please bring your device to the IT department, using the library entrance, during the available times below:

- Before school 8:35am until homeroom
- Recess
- Lunch time

Please knock on the door to indicate you require help. This will be answered as soon as someone is available.
In cases where students require urgent assistance during class time, please get a teacher to write a note in the planner and go to the library to access IT help.

TECHNOLOGY TIPS
Technology Tip #2: Checking emails
A reminder that the best way to access your school student email is via the Office 365 Portal. There should be a shortcut link on the desktop of your device for you to click on to access this. If you have taken this shortcut off and would like help putting it back on your desktop, please see the IT department during the designated times.

SUBJECT SELECTIONS FOR 2017
Over the next four weeks, Trinity College will provide a variety of information sessions to help prepare students with choosing their pathways and subjects for next year. A timeline of the key dates is shown below:

For Years 9-11:
- Wednesday, 20\textsuperscript{th} July: VCE Subject Information Session Years 9-10
- Wednesday, 20\textsuperscript{th} July: Senior Pathways 2017 Information Evening Years 9-10 students and families.
- Thursday, 21\textsuperscript{st} July: Subject Information Sessions Years 9 and 11.
- Monday, 25\textsuperscript{th} July until Friday, 5\textsuperscript{th} August: Year 10 Individual Subject Interviews with Miss Judy Carter or Mr Luke Featherston. Parents are welcome to attend these interviews.
- Monday, 8\textsuperscript{th} August: Subject Selection Due for Years 9-11

For Years 7-8:
- Wednesday, 11\textsuperscript{th} August: The Curriculum Handbook distributed to Years 7-8.
- Wednesday, 11\textsuperscript{th} August: Subject Information Session for Years 7-8.
- Monday, 29\textsuperscript{th} August: Subject Selection Due for Years 7-8.

Mr Luke Featherston
Director of Learning

PARENT/GUARDIAN FEEDBACK REGARDING ASSESSMENT TASK COMPLETION/SUBMISSION
As a College we are currently reviewing our practices regarding the non-completion or non-submission of assessment tasks by students. We are currently seeking feedback from student groups and teaching staff about how we can maintain high expectations to ensure that our students maximize their learning through completing and submitting assessment tasks on time.

With this in mind, we are also seeking any comments, feedback or suggestions from parents/guardians about your views on how as a College we can improve the submission of assessment tasks and possible follow up consequences for late submission.

If you would like to email through any comments, please send them to lfeatherston@tcc.vic.edu.au Alternatively you can call to discuss via the College phone number or can meet me in person if you would prefer to meet face to face.

Thank you

Regards

Mr Luke Featherston
Director of Learning
SENIOR PATHWAYS INFORMATION EVENING YEAR 9 AND 10 STUDENTS

Year 9 and 10 students and their parents/guardians are invited to the Senior Pathways Information Evening which will be held in the Trinity College Hall on Wednesday, 20th July, at 7:30pm.

It is important that Year 10 students and their parents attend this evening as relevant pathways information will be conveyed including information about the Victorian Certificate of Education (VCE), the Victorian Certificate of Applied Learning (VCAL) and the various Vocational Education and Training (VET) options available to students.

The parents/guardians of Year 9 students that wish to study an advanced VCE or VET subject in 2017 are also most welcome to attend this evening.

Mr Luke Featherston
Director of Learning

VCE/VET SUBJECT INFORMATION VIDEOS AVAILABLE ON SIMON

On Wednesday, 20th July Years 9 and 10 students will watch VCE/VET subject information videos that have been prepared by teachers to help provide some further information regarding the subject options for 2017. This supports the information contained in the Curriculum Handbook. These videos are between 1-3 minutes in length and focus on a short overview of the content studied, what skills are required to do well in this subject and what future career paths the subject may lead to.

We encourage parents/guardians to discuss these with your child. Also, access is available via SIMON so students and parents can watch the videos from home (as long as you have adequate internet).

Below outlines where to find the videos to watch at home.

**STEP 1:** Open SIMON on the student device, or via the SIMON link on the Trinity College website on an alternative device.

**STEP 2:** Move to the left hand side of the SIMON home page and under Trinity Student Resources, click on the VCE Subject Information Videos.

**STEP 3:** You will be asked for your Trinity IT password to access the videos. Enter this.

**STEP 4:** You will then be taken to Office 365 Video where you can then look through the various VCE videos (screen shot below). Please note that there are two pages worth of videos to view.
**RED ROCK GALLERY Q&A NAIDOC WEEK**

On Thursday, 14\(^{th}\) July Molly Ganim-Heath and I had the honour of attending the Q&A Panel at the Red Rock Gallery. It featured eight wise and talented people including Bruce Pascoe, Uncle Jack Charles, Vicky Couzens, Dr Chris Kavelin, Rob Bundle and John Clarke. It was a great opportunity to represent Trinity College and learn more about our own culture. The Q&A consisted of discussions regarding local indigenous and national issues, an insight into each person’s story and a chance to pose questions. We would like to thank the Red Rock Gallery for bringing such a unique event to Colac and to the panel members for sharing their wisdom. I left feeling informed and humbled, what a fantastic way to celebrate NAIDOC week.

Georgia Hogan  
Trinity student

**POLITICS STUDENTS VISIT UNITED STATES CONSULATE**

On Tuesday, 12\(^{th}\) July Year 12 students studying Australian Politics visited the United States Consulate in Melbourne. This was a tremendous opportunity to discover the inner workings of Australia/US relations, and to discover how foreign diplomacy works.

Upon arrival the group had to go through strict screening and security - all personal items had to be left in a secure safety box, including mobile phones - this was a challenge for some! Once this had been completed, we were escorted into the board room where we heard from a variety of officers within the US Diplomatic service. Students were able to discuss issues with consulate officers such as the US and Australian election results, university courses, career paths, US/Australia relations and Foreign Policy. We were also very fortunate to be visited by US Consul General Frankie Reed, who has been in Melbourne since March 2015. Students were then treated with a ‘behind the scenes’ tour of the consulate, looking into how the visa system works, dual citizenship, suspect visa applications and how these are all dealt with in a diplomatic and fair way.

David Rourke commented "It was a great experience, and I think I've changed my career path from a Mechanic to a Diplomat" - it was a very powerful excursion, but a most informative and enjoyable one too.

Mr Joe McCracken
Teacher

---

**TRINITY SPIRIT AWARDS**

We congratulate the following student on recently exemplifying Trinity Spirit consistent with the Trinity College Core Value of Community:

- William Roberts, 7E  
  House: McAuley

- Oaklee Balboni, 7E  
  House: Gleeson

- Liam McCullagh, 7E  
  House: McAuley

These students have gone out of their way to make a member of the Trinity College Community feel welcome. They have ensured that other people in the community have been made to feel part of the school and have gone above and beyond to include others. They showed a great willingness to serve the Trinity College Community and their sense of Community by including others.
UNIVERSITY OPEN DAYS
Open Days for Victorian Universities and TAFE Institutions will be coming up soon. I will be sending a list of Open Days to all students in Years 11 & 12 shortly. I encourage students to look over the list and try to attend Open Days, as these opportunities provide invaluable information to assist students with making university choices.

I have also started to receive Student/Course Handbooks for universities. These are available at the Careers Office. Information is also available on the internet under individual universities.

Mrs Julie Demasi
Careers Officer

ARE YOU JUGGLING HOMEWORK AND WORK AND SPORT COMMITMENTS?
If you are, then you need to be smart about how you manage your time!
Rather than racing home, squeezing in half an hour of study and then racing off to work or sport, come to the College library straight after school, get more homework done and then cruise off to your other commitments in a relaxed manner!
See you there Monday to Thursday until 5.05pm!

P & F NEWS

P & F MEETING
There will not be a P&F meeting this coming Wednesday due to the Senior Pathways 2017 Information Evening. The next meeting will be on Wednesday, 17th August 2016 at 7.30pm in the Boardroom, Gleeson Administration Building.
Time online - is there a link to wellbeing and attendance?

The OECD published a report from the 2012 Programme for International Assessment (PISA) for 15-year-olds. Here are some of the findings.

Findings indicate lower levels of wellbeing for students who spend 6 hours+ online during weekdays.

These students were 2x as likely to report feeling lonely at school compared to students spending 1-2 hours online.

45% of these students arrived late for school compared to 32% for students who spent less than one hour online.

Gerard  

Gerard McKenzie  
BUSINESS MANAGER
Are you currently in Year 12 and considering further study post school? The Victorian Tertiary Admissions Centre (VTAC) processes course applications on behalf of participating higher education institutions. From the 1st of August, you will be able to create a VTAC account and apply for vocational and higher education courses. VTAC has developed a series of resources to assist Year 12 students with their applications. The following are three examples:

- Instructional videos: these outline how to set up a VTAC account, how to search for courses and how the preference system works. [http://bit.ly/2a0Izwg](http://bit.ly/2a0Izwg)
- VTAC CourseSearch app. You can search for courses online or offline on your phone or tablet. You can download the app from Google Play or the App Store from August.
- VTACmag (see advertisement below)

News from The Hotel School - Melbourne and Sydney campuses: Bachelor of Business in Hotel Management students recently undertook two industry-focused activities:

- Hayman Island Field Trip: As part of The Hotel School’s Work Integrated Learning program, students participated in a four-day field trip to work at the luxury resort One&Only Hayman Island. View photos of the trip here (Facebook link) - [http://bit.ly/29Hlrpt](http://bit.ly/29Hlrpt)
- Manager for a Day at the InterContinental Sydney: Students were given the opportunity to shadow a hotel manager for the day at the luxury 5-star hotel. The same program will run in Melbourne on Saturday 30 July for Year 12 students. There are still places available - [http://bit.ly/29HW71](http://bit.ly/29HW71)
VOCA TIONAL & HIGHER EDUCATION NEWS

Key resources: If you would like to explore your future career, course and/or training options, the following websites will help to guide you:

Myfuture: students will be able to explore courses, occupations, take a mini career quiz and an entrepreneurship quiz, and develop job seeking skills, https://myfuture.edu.au/

The Good Careers Guide: You can search over 400 different occupations narrowed down by the field or type of work you would like to do in the future (e.g., practical/mechanical, helping/advising), www.goodcareerguide.com.au

Good Universities Guide: You will be able to find courses, compare university ratings, search for scholarships and explore careers, www.gooduniversitiesguide.com.au

Australian Apprenticeship Pathways: You will be able to undertake apprenticeship aptitude tests, find local apprenticeship and group training centres, and learn about different trade occupations, www.aapathways.com.au

Bullseye posters: You can explore occupations related to your favourite subjects such as English, Mathematics, Food Studies and Art. Click on the occupation title in the bullseye to find out about the career area, http://bit.ly/1svwa98

Deakin Explore: You can search for careers by course, occupation, what type of work would be important to you (e.g., conserving the environment), and by broad interest area (e.g., business). Once you click on an occupation that interests you, you will be given a list of Deakin University courses that could lead you to this career, http://explore.deakin.edu.au/

VOCA TIONAL & HIGHER EDUCATION NEWS

News from Deakin University:

- Allied Health: The Epworth Hospital located near the Deakin Waurn Ponds campus has just opened its doors. Through a partnership between Deakin University and Epworth Health, students will have the opportunity to immerse themselves in a working healthcare system and experience the daily routine of a health professional, http://bit.ly/11Ue3wJ

- Business: Deakin Business School has gained accreditation by the Association to Advance Collegiate Schools of Business (AACSB), joining one of the top 5% AACSB accredited Business Schools worldwide and one of only three in Victoria, http://bit.ly/2aaaI5E

The Bachelor of Nursing to be offered at Swinburne University: From Semester 2 2017, Swinburne will offer the Bachelor of Nursing at the Hawthorn and Wantirna campuses, http://bit.ly/26OAhFA
