Casual employment: With Christmas just around the corner, it’s a very busy time for many businesses and employers are now hiring casual staff. You can sign up for employment at the following websites:

- McDonald’s, http://bit.ly/1Bmfpeo

About 80% of all job vacancies aren’t advertised, so it is crucial that you market yourself to businesses with an excellent resume and cover letter. Make sure you tell as many people as possible that you are looking for work as often employers rely on ‘word of mouth’ to recruit for their positions.

For excellent job seeking tips, check out the resources at Youth Central- www.youthcentral.vic.gov.au/

Science news: Be inspired by the latest stories featured on RIAUS – Australia’s Science Channel. Some of the topics covered this week include:

- Myths and misunderstandings of the health effects caused by radiation from the Hiroshima and Nagasaki bombings.
- Using DNA to stimulate the regrowth of auditory nerve cells via a cochlear implant.
- The psychology of recycling
- Should artificial intelligence be subject to ethical scrutiny and restriction?

Access the stories at this link - http://bit.ly/2fJMZdy
